

## Accessory Secondary Suite Removal Form

***I hereby apply to remove an existing accessory secondary suite at the following residence:***

Address: \_\_\_\_\_

***The following constitutes the requirements to remove an accessory secondary suite in the City of Langley and convert into an extension of the principal dwelling:***

Locking devices which separate the suite from the remainder of the principal dwelling unit must be removed.

All forms of cooking equipment must be removed.

The power cable to a kitchen stove, or both receptacle ends of the cable must be cut off. A letter from a qualified electrician certifying that this cable has been rendered unusable is required, or, the home owner may do the work provided it is inspected by a Provincial Electrical Inspector.

Range ventilation system must be removed.

***I hereby declare that I have read and understand the foregoing requirements to lawfully remove a secondary suite on the subject property. I agree to abide by the City and Provincial regulations regarding this suite, otherwise I understand that I may be liable to legal proceedings by the City to the full extent of the law.***
