

CITY OF LANGLEY

2021 – 2025 Financial Plan

**Fiscal Period January 1, 2021 to
December 31, 2025**

BYLAW 3151

Budget Message

January 18, 2021

Message from the Director of Corporate Services

Mayor and City Council
Langley City

2021-2025 Financial Plan

Just under a year ago, the City was excited about a bold vision with the adoption of the Nexus of Community Plan. However, COVID-19 has caused us to pause and reprioritize how we move forward during a worldwide pandemic. Even with support from senior levels of government, the municipality, businesses and individual taxpayers are still uncertain about how 2021 will unfold.

We know that interest rates have reduced significantly, affecting our investment income. The casino is currently closed. We have conservatively estimated that it will remain closed throughout 2021, meaning we do not anticipate receiving any casino revenues this year. Fortunately, the City has reserved some of the previously received casino proceeds, so some of the Capital Improvement Plan projects can still move forward; however other projects, such as the Engineering Operation Centre building, will be deferred into the future.

During the recent provincial election, the Provincial government committed to bringing the SkyTrain to Langley City. To be ready for that we need to forge ahead with our Official Community Plan update, Zoning Bylaw updates and the Nicomekl River District Neighbourhood Plan. Because land acquisition is a vital part of these plans, we are asking City Council to consider borrowing \$7.5 million in 2021 rather than the full \$50 million in lending being considered at this time last year. We may revisit other borrowing opportunities in future Capital Improvement Plans once the pandemic's uncertainty is better understood. We believe this is a balanced approach to moving forward.

The 2020 Actual column is reflecting the current year to date expenditures rather than an estimate of the amount anticipated after the end of the year which will be higher after all the December purchase invoices and year end reconciliations have been reflected.

Public Process

A Financial Plan presentation will be made at the Monday, January 25, 2021 Council meeting to introduce the budget to the public which will be recorded and streamed on the City's website.

A Financial Plan public input and open house virtual meeting will be held on Thursday, February 4, 2021 at 7:00 pm for the public to learn more about the budget and ask questions in a more informal setting.

The open house will be followed by a Financial Plan presentation at the February 8, 2021 Committee of the Whole Council meeting where comments from the public will be invited.

The Five Year Financial Plan

The five year financial plan presented in this document is a financial planning tool and not a multi-year budget. The primary focus of the Financial Plan is the current budget year under consideration (2021) with a new five year plan being created for each successive budget cycle.

The revenue and expenditure forecasts of the out years (2022-2025) reflect estimated wage and benefit costs, estimated Metro Vancouver rate increases and RCMP contract increments. We have not attempted to include an estimate of inflation in the out years in this document.

2021 Council Goals and Strategic Plan

City Council adopted the 2017-2021 Strategic Plan and the Nexus of Community Plan and the Financial Plan includes a series of goals and actions in each department that support these strategic planning documents. The Strategic Plan has seven key result areas as follows:

Key Result Areas

In this plan, we have seven areas that describe where we believe we most need to move forward and achieve better results. Making progress in these Key Result Areas will define our success over the four year period, and anchor our accountability to our individual and corporate citizens.

1. **Infrastructure Renewal:** We recognize the need for, and are committed to, establishing a long-term, financially-responsible infrastructure renewal plan for all municipal assets.
2. **Quality of Life:** We are a community that is an ideal place to raise a family, offers a welcoming and diverse living environment, boasts great leisure and recreational opportunities, and supports healthy and safe neighbourhoods.
3. **Communication:** We communicate effectively with our citizens, customers, partners, and stakeholders, involving them in decisions which impact and interest them, and engaging them in public life.
4. **Revitalization:** We will continue to revitalize our community to ensure that it is vibrant, clean and safe, is a desirable location for industry, and our policies and strategies create a vibrant economy that position the City as the Regional Hub in the Fraser Valley for innovation, education, technology, shopping, health industry, leisure and entertainment.
5. **Environment:** We continue to focus on protecting, promoting and enhancing environmental assets in the community and active in achieving the Zero Waste goals.

6. **Protective Services:** We maintain and foster partnerships with law enforcement agencies, community groups, neighbourhoods, and citizens to address public safety and socio-economic issues in the community.
7. **Organizational Development:** We stand out as a results-oriented, engaged and innovative work force with a strong service ethic and high level of customer service, and a City Council that is accessible to its citizens.

Budget Highlights

General Operating Fund

The Consumer Price Index (CPI) % increase in Vancouver for the year ended September, 2020 was 0.1%. The CPI is not representative of the costs incurred by municipal governments which are more heavily weighted to labour, materials and contracted services, whereas the CPI reflects a basket of goods, like food, shelter, clothing, furniture, etc. A municipal Price Index (MPI) developed in Edmonton forecasts the MPI in 2020 to be 1.34%.

The gap between total expenditures and total revenues in the general fund is \$1,396,235 and would require a tax revenue increase of 4.68%.

2021 Non-discretionary Property Tax Impact			
General Fund Taxation Shortfall	\$	819,655	2.75%
Debt Servicing (\$7.5M)	\$	576,580	1.93%
Total Taxation Shortfall	\$	1,396,235	4.68%

The budget contains non-discretionary service level and other increases outlined in the following table.

Summary of the Larger Non-discretionary Changes Affecting the 2021 General Fund Budget	
Revenues:	
2020 Supplementary assessment reductions	\$ 165,100
2021 New tax growth increase	(350,000)
Grants in lieu of taxes	(8,475)
Solid waste fee increase	(9,750)
Interest income	168,500
Interfund Utility Allocation	(48,760)
Hotel Tax	60,000
Gaming Proceeds	7,200,000
Canada/BC Safe Restart Fund	(792,565)
Misc. fees and revenue	(2,750)
Expenditures:	
Council remuneration, travel and benefits	16,840
Employee wages and benefits	205,650
Utilities & Telecommunications	(72,860)
Fire training, maintenance, dispatch and supplies	36,210
RCMP Detachment Operations – Municipal Staff	45,620
RCMP Contract	646,165
Discover Langley City	(60,000)
Solid waste services	5,150
Library levy	25,060
Brydon Park maintenance	15,000
Various supplies and contracted services	31,425
Tax Prepayment Interest	(46,200)
Long Term Debt - Interest	135,000
Long Term Debt – Principal	441,580
Transfer to Gaming Proceeds Reserve	(7,200,000)
Transfer from Gaming Proceeds Reserve	792,565
Transfer to/from reserves	(2,270)
Net 2021 budget expenditure increase	\$ 1,396,235

Each year departments scrutinize their operating budgets in an effort to make substantive reductions to help mitigate a taxation increase. Over the last number of years, over \$1.1 million in savings have been implemented reducing taxes by 5%. However, these reductions have operational impacts due to reductions in training, supplies and contracted services.

Revenue Decreases:

The property tax assessments have decreased as part of the Appeal Board decisions resulting in tax revenues being less than budgeted for 2020. In 2021, these revenues will have to be made up to continue with the base level of expenditures anticipated in 2020 by increasing property tax revenue by \$165,100.

Interest income, available through banks and investments, has decreased \$168,500 due to the impact of COVID-19 on the economy.

Hotel tax revenues are collected and remitted to Discover Langley City to fund tourism promotion in the community. The revenues are decreasing \$60,000 reflecting the impact of COVID-19 on local hotel occupancy.

The closure of all casinos in the Province due to COVID-19 in March 2020 has ceased the transfer of gaming proceeds to the City. It is assumed the casino will remain closed for the duration of 2021.

Revenue Increases:

The total new taxation growth from new construction is estimated at \$350,000 or 1.2% property tax revenue.

Grants in lieu of taxes are received from the utility companies like Telus, BC Hydro, Shaw Cable and Fortis that would otherwise be payable on the land that the utility companies run their services through. The grants are based on 1% of the revenues generated by each of the companies in the City of Langley in the previous year. The grants in lieu revenue increased by \$8,475.

Solid waste fees have increased \$9,750 to offset the increase in disposal charges for garbage and green waste.

A portion of General Fund operating costs are attributed to the operation of the Sewer & Drainage Fund and the Water Fund. In 2021, these allocations increased by \$48,760.

To offset the loss of gaming revenues in 2021, the City is using \$792,565 of the Canada/BC Safe Restart grant funding to offset the cost of programs usually covered with gaming revenue.

Other miscellaneous fees and revenue have increased by \$2,750 based on historical trends and fee & increases.

Expenditures:

Council remuneration and travel increases of \$16,840 are based on adopted Council policy and projected adjustments for 2021.

Langley City

2021 Financial Plan

A provision of \$205,650 has been included for the CUPE, IAFF and management staff contract increases as well as increases due to staff moving through steps in their pay grades.

Utility and telecommunication charges, including Hydro, Natural Gas, Water, Telephone and Internet have decreased \$72,860 due to ongoing efforts to upgrade to energy efficient solutions and reduced contracted rates.

The Fire Department has experienced an increase in costs due to new training and uniform requirements, an increase in maintenance costs, fire dispatch costs and additional supplies requiring an increase of \$36,210.

The cost for centralized support services, billed by the Township of Langley for municipal employees at the RCMP detachment, is increasing \$45,620 to reflect wage increases.

The RCMP incremental costs of \$646,165 reflects an increase in wage and pension costs and movement through pay grades. The vacancy rate has been lowered at the detachment resulting in more of the City's 51.35 contracted RCMP members being deployed in the City. The City shares 179 RCMP members with the Township of Langley and we have estimated that there will be 178.25 members on active duty resulting in a vacancy of only 0.75 members combined in 2021.

Discover Langley City is transferred all hotel tax proceeds received by the City, revenues are anticipated to be \$60,000 less for 2021.

Solid waste service fees have increased \$5,150 due to increases in contract costs and disposal fees.

The FVRL levy is increasing \$25,060 covering wages and benefit cost increases and an increase in material costs.

After the recent expansion of Brydon Park, including the addition of the dog off leash area, maintenance costs are increasing \$15,000.

Various small inflationary increases to supplies and contracted services budgets throughout the organization resulted in an increase of \$31,425.

The addition of long term debt to the City's 10 year capital plan has necessitated the addition of annual interest and principal payments. The planned borrowing of \$7.5 million in 2021 equates to annual interest charges of \$135,000 and scheduled principal payments of \$441,580.

As the casino is assumed to remain closed for 2021, the \$7,200,000 transfer of gaming proceeds to the reserve has been removed. As well, the offsetting transfer from the reserve to the operating fund of \$795,565 has been replaced by drawing from the Canada/BC Safe Restart funding.

Langley City

2021 Financial Plan

There was a small net decrease transfer from reserves amounting to \$2,270.

Water Operating Fund

The water rate structure will increase \$0.09 per cubic meter to \$1.44 per cubic meter, with a flat rate of \$75 per dwelling unit. The increase for the average single family residential customer using 330 cubic meters of water will be \$29.70 in 2021.

In addition to increased costs of labour and services, the cost of water purchased from GVWD is increasing 1.5%. The water purchase cost of \$2.9 million makes up 62.4% of the expenditures in the water fund.

The GVWD has indicated that there will be annual increases in water costs between 3.5% - 10.8% per year over the next five years to allow for improved water filtration and infrastructure replacement.

Sewer and Drainage Operating Fund

The sewer rate structure will increase \$0.06 per cubic meter bringing the total to \$1.33 per cubic meter (80% of water consumption) with a flat rate of \$75 per dwelling unit. The increase for the average single family residential customer using 330 cubic meters of water, used to determine the sewer charge, will be \$15.84 in 2021.

The proposed increase is to fund an increased allocation of administrative costs from the general fund, additional system testing, an increase in wages and supplies and an additional \$100,000 transfer to reserves for future capital.

The sewer treatment levy cost from the GVS&DD is \$2.1 million which makes up 56.4% of the expenditures in the sewer fund. The GVS&DD has indicated that there will be annual increases in sewer costs between 7.1% - 13.6% per year over the next five years to allow for improved sewer collection and treatment.

Capital Improvement Plan

The Financial Plan includes a 10 year Capital Improvement Plan (CIP). The proposed expenditures in 2021 total \$18,818,545. The largest expenditure is \$7,500,000 dedicated to the purchase of strategic properties throughout the City. The replacement of the Fire department's Rescue vehicle requires \$856,000. The upgrade of City Park field with drainage and irrigation to allow additional baseball diamonds requires a project budget of \$1,500,000 however this project is contingent on receiving \$1,099,995 in grant funding. Construction of bike lanes along 208 St requires an additional investment of \$679,705 bringing the total project to \$2,284,591 75% of which is funded by Translink.

Capital projects are funded through money the City has placed in reserves, funds received from developers when new construction is undertaken by way of Development Cost Charges (DCC's), grants and casino proceeds.

Budget Message

Langley City

2021 Financial Plan

Each year the City allocates a portion of the money collected through property taxation and utility fees into the reserves. The planned reserve contributions in 2021 are presented on the table below.

Tax and Utility Funded Reserve Contributions	
Capital Works Reserve	\$ 1,004,450
Fire Equipment Replacement	55,000
Machinery Replacement	400,000
Off Street Parking	11,520
Office Equipment	46,500
Parks & Recreation	177,500
Sewer Future Capital	720,000
Water Future Capital	690,000
Total 2021 Contributions	\$ 3,104,970

The work being planned to accommodate the tangible capital asset requirements and resulting asset management benefits will highlight the infrastructure deficit faced by the City of Langley. We are not currently putting enough funding towards infrastructure renewal to meet projected needs. It will take a concerted effort by City Council to balance between allocating adequate funding for infrastructure, that is primarily underground, and other infrastructure needs for the community.

The closure of the casino due to the pandemic, and associated drop in gaming proceeds, has highlighted the City's over reliance on gaming proceeds as one of the main funding sources in our capital improvement plan. This reduced funding has necessitated delaying of projects. Going forward, the City needs to take a

balanced, conservative approach to capital funding. In future years, the City will be phasing in increased reserve transfers funded by taxation and utility fees to address these needs.

Prior Year's Surplus

The City is required to prepare a balanced budget each year under provincial legislation. Each dollar expended has to be approved by City Council in the Financial Plan. At the end of the previous year, the actual financial numbers may result in revenues being higher than anticipated or expenditures lower than planned which is called a surplus. It is proposed that any surplus generated in 2020 be allocated to the Capital Works Reserve to augment the capital works undertaken in future years.

Casino Proceeds

Casino proceeds have been a significant funding source for the Capital Improvement Plan. While we don't anticipate receiving additional casino proceeds in 2021 the City does have a casino proceeds reserve that will be used to continue to carry out Capital Improvement Projects in 2021.

Langley City

2021 Financial Plan

The following table lists the projects funded by casino proceeds.

Capital 2021 – Casino Proceeds Allocation	
Microsoft 365 / Office 365 with MFA	\$ 25,000
Tempest e-Apply for Business Licenses	25,000
LCFRS Rescue 1 Vehicle	856,000
Road Rehabilitation	100,000
Traffic Signal Upgrade	134,000
62 Ave & 203 St Intersection	154,000
City Park Field Upgrade	201,980
Timms Gymnasium Floor Refinishing	60,000
Playground Fall Protection	75,000
P&R Master Plan	125,000
Median Upgrades	60,000
198 St, 55 Ave to 56 Ave Watermain	100,000
198 St, South of 46 Ave Watermain	150,000
Park Ave, 204 St to Douglas Cr Watermain	140,000
Glover Rd Watermain	606,000
Net 2021 budget expenditure increase	\$ 2,811,980

By using casino proceeds rather than borrowing, the City is reducing operating debt servicing costs. Every \$1.00 borrowed requires \$0.27 to be paid in interest over the 15 year term of the borrowing. Debt avoidance has reduced the taxes otherwise payable by 19.45% since the casino has been open.

Issues Affecting Future Years' Budgets

COVID-19 has resulted in much uncertainty. While property tax collection was similar to prior years in 2020, it is difficult to determine how taxpayers will respond after the pandemic has been with us for over a year. Many families have lost income and some businesses are also suffering from lower sales making it more difficult to pay their property taxes on time. Municipal cash flow will again be a consideration in July 2021. The supports offered by the Federal and Provincial governments will have to cease at some point and it is unknown how some taxpayers will face the financial challenges that may result.

New growth revenues are anticipated to remain low based on existing market conditions. New growth typically funds any inflationary increases in the City's budget. Wage settlements and ability to attract and retain staff, without any new service levels being considered, will continue to put pressure on the budget.

Local governments are increasingly feeling the effects of downloading by other levels of government. The City is struggling with its ability to address social issues like homelessness where individuals suffering from mental health and substance abuse concerns are evident. Historically, social welfare has been a Provincial mandate however, municipalities are now facing the effects of this growing issue.

The SkyTrain project will transform our community. There may be expectations placed upon the municipality to contribute to aspects of the project that at this time are yet unknown. The City will have to be flexible with the timing of other Capital Improvement Plan projects to accommodate the SkyTrain project.

Our contracted service partners like the RCMP, Fraser Valley Regional Library and Metro Vancouver have increases in their respective budgets which are beyond the City's control and can have significant effects on the overall City of Langley Financial Plan. The RCMP in particular are undergoing the transition to a unionized police force which can have significant financial and operational implications in the future.

Our Financial Plan for 2021 – 2025 will set our spending priorities to ensure that the City of Langley continues as the Place to Be!

Darrin Leite, CPA, CA
Director of Corporate Services

CONSOLIDATED FINANCIAL PLAN SUMMARY

	2019 Actual	2020 Budget	2020 YTD	2021 Budget	2022 Budget	2023 Budget	2024 Budget	2025 Budget
Consolidated Revenues

***It is important to note that FTE's represent a full-time equivalent of a staff member. In many instances, particularly in Parks and Recreation which consists of many part-time or seasonal positions, this is not a accurate reflection of the actual number of employees.

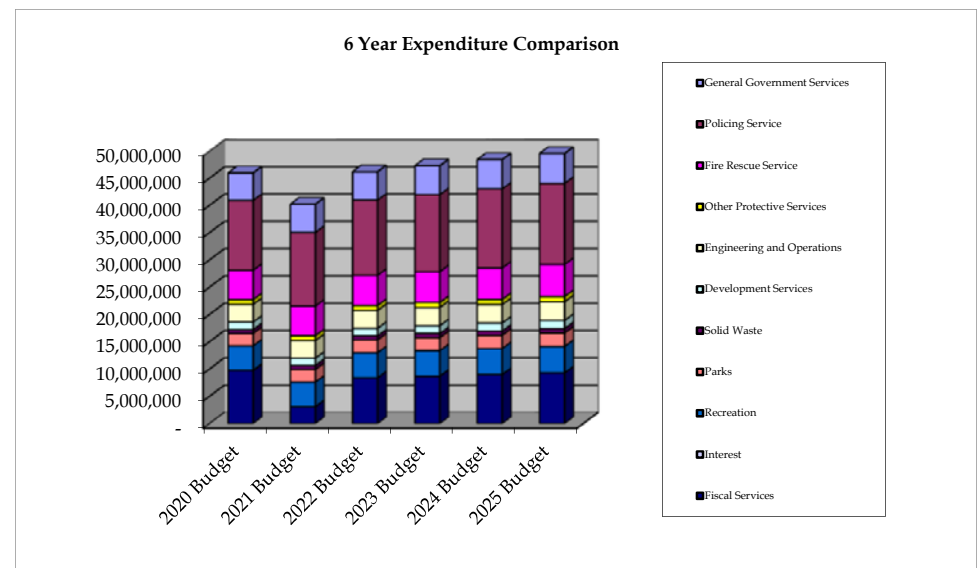

General Operating Fund

2021-2025

GENERAL OPERATING FUND

The General Operating Fund is the primary operating fund of the City. It is used to account for all of the financial resources and expenditures of the City of Langley, except Water Utility, Sewer & Drainage Utilities, and the 10-year Capital Improvement Plan. This section details the 2021-2025 Financial Plan, as well as showing comparative figures for 2019 Actual Results, 2020 Budget, and the 2020 Year to Date (YTD) expenditures. *(The 2020 YTD figures are highly dependent on when billings are received and processed and may not accurately reflect actual expenses to date.)*

Property Taxation

PROPERTY TAXATION

Property Taxation and Assessment

Property tax is the largest single General Fund revenue source in the City of Langley and will account for 65.0% of total revenues in 2021.

Property taxes are billed to each legal property in the City. The property tax bill is calculated by multiplying the current years tax rate by the assessment values of each property.

Property Tax Assessment Base

Property assessment in the Province of British Columbia is the function of the British Columbia Assessment Authority (BCAA). The BCAA's purpose is to establish and maintain assessments that are uniform in the whole of the Province in accordance with the Assessment Act.

The Assessment Act requires that the BCAA produce an annual roll with assessments at actual value. Actual value is defined by statute as being synonymous with market value. A commonly accepted definition of market value is: "that price a property might reasonably be expected to bring if offered for sale by a willing vendor to a willing purchaser after adequate time and exposure to the market".

In addition to determining market value, BCAA also decides upon the appropriate classification for each property.

The provincial Government has prescribed nine classes of property, as follows:

Class 1: Residential includes land or improvements, or both, used for residential purposes, including single-family residences, duplexes, multi-family residences, apartments, condominiums, manufactured homes and some vacant land.

Class 2: Utilities includes land or improvements, or both used for the purpose of providing utilities; E.G. Telus, BC Hydro.

Class 3: Supportive Housing - funded by the Province, a property which combines on-site support services with housing for persons who were previously homeless, at risk of homelessness, have mental or physical disabilities, or who are recovering drugs or alcohol addictions.

Class 4: Major Industry which is non applicable in the City of Langley.

Class 5: Light Industry includes properties used for extracting, processing and manufacturing, not falling within the Major Industry Class.

Class 6: Business and Other comprises all land and improvements not included in classes 1 to 5 and 7 to 9.

Class 7: Managed Forest Land which is non applicable in the City of Langley

PROPERTY TAXATION

Class 8: Recreational property/Non-profit Organizations includes land used solely as an outdoor recreational facility for a specific use or activity together with property used or set aside for use as a meeting hall by a non-profit fraternal organization.

Class 9: Farm includes only land classified as farm land in accordance with the prescribed standards.

The **2021** property classes and their respective assessment values for general municipal purposes are:

Class 1 Residential	\$6,272,004,503
Class 2 Utility	5,082,405
Class 3 Supportive Housing	4
Class 5 Light Industry	328,286,600
Class 6 Business Other	2,091,748,090
Class 8 Recreational/Non-profit	11,632,800
Class 9 Farm	11,936
Total	<u>\$8,708,766,338</u>

City Council has the ability to set a tax rate for each class of property.

The key dates in the assessment cycle are as follows:

July 1, 2020 – is the date at which the market value is determined for the 2021 Assessment Roll.

October 31, 2020 – Deadline date for municipal Council to adopt tax exemption bylaws for the 2020 Assessment Roll

October 31, 2020 – The 2021 Assessment Roll reflects the physical condition and permitted use of each property on this date

November 30, 2020 – Deadline for ownership changes to the 2021 Assessment Roll

December 31, 2020 – Deadline for Completed Roll totals, and mailing date for Assessment Notices.

January 31, 2021 – Deadline for requesting a formal assessment review.

March 31, 2021 – Deadline date for the Revised Roll

Assessment Growth

In the last decade, 1,279 new living units have been constructed in the City of Langley. The growth over the decade has been in multi-family type housing with 1,373 new units being constructed. This was offset by a reduction of 94 single family units over the same time frame.

Fees & Charges

FEES & CHARGES DESCRIPTIONS
<p><i>The revenue category of Fees and Charges was established by the Bill 88 revisions to the Local Government Act in 1999. The category includes all revenues that are imposed, by bylaw, in respect of all or part of a service the municipality provides or the exercise of regulatory authority.</i></p> <p>ADMIN/INSPECTION FEES: These revenues are intended to compensate the City for administration and inspection costs that the City must expend as part of a land development project. The revenues are estimated by using a trend analysis approach then adjusted to reflect the level of construction and development anticipated in the community.</p> <p>SOLID WASTE USER FEES: This revenue represents the total user fees levied on single family residences for bi-weekly door to door garbage collection service as well as weekly curbside organic waste disposal. The revenue is calculated by dividing the cost of the service by the number of residential units serviced.</p> <p>LICENCES & PERMITS: The revenue generated from building and plumbing permits is levied to monitor construction projects within the City to ensure compliance with the BC Building Code and City Bylaws as and when required. The revenues are estimated by using a trend analysis approach then adjusted to reflect the level of construction and development anticipated in the community.</p> <p>DOG LICENCE FEES: These fees are levied on the owners of dogs to partially offset the cost of providing dog control services. The revenues are projected based on the number of dogs licensed in the prior year.</p> <p>PARKING VIOLATIONS: This revenue represents fines received from motorists who are parked illegally within the Downtown core of the City.</p> <p>PARKING RENTALS: This revenue represents the monthly rental fees received for supplying reserved parking spaces in within the City. Revenue is projected using the current occupancy rate.</p> <p>MUNICIPAL VEHICLE PLATES: This revenue represents a commission paid to the City to issue commercial vehicle stickers on behalf of the Union of British Columbia Municipalities to administer the service province wide for the Provincial Government. This program has been discontinued for 2020.</p> <p>TAXINFO SERVICE: This revenue represents the fees received for providing legal offices and mortgage companies with information regarding outstanding taxes on properties. The revenue estimate is based on the prior year's experience and adjusted for the current state of the real estate sales market.</p> <p>FEES & CHARGES OTHER: This program includes budget allocations for revenue generated from banner installations and other miscellaneous fees.</p>

Revenue Other Sources

REVENUE FROM OTHER SOURCES DESCRIPTIONS

The revenue category of Revenues from Other Sources includes all those revenue sources not included in Property Taxes or Fees and Charges.

RCMP FEES & CHARGES: These revenues represent various fees charged by the RCMP for services rendered to the public, a commission from the Province of BC to offset the cost of serving criminal documents and revenues from false alarm fees which offset the cost of the RCMP in responding to false alarms. Revenue projections are based on the historic trend.

TAX PENALTY & INTEREST: This revenue source includes penalty and interest charged on past due taxes. Penalties of 5% are applied on all unpaid current taxes on the tax due date and a second penalty is applied after a reminder notice is sent an additional grace period has completed. Interest is applied on all taxes in arrears (one year past due) and all delinquent taxes (two years past due). The revenue is forecast based on past trends and any significant events affecting properties in this category.

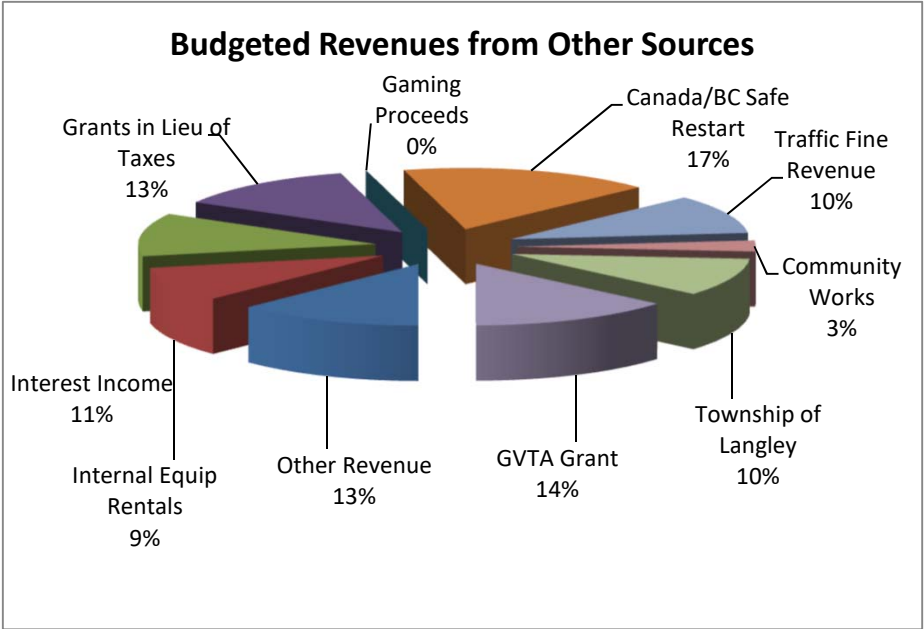

RENTALS OF CITY PROPERTY: The City has a number of bare land leases and a few improved property leases. The lease revenue is calculated using the rates included in lease documents as well as historical maintenance costs.

INTERNAL EQUIPMENT RENTALS: This revenue item represents the difference between equipment operating expenditures and the amount expended to operations via equipment charge-out (rental) rates. The revenue generated is meant to cover depreciation or obsolescence and is transferred annually to the Machinery Replacement Reserve where it is held and used to replace equipment and vehicles as required.

MISCELLANEOUS INCOME: This revenue includes a number of revenues that can not be classified within another revenue category. These revenues included such things as grants, sale of assets and towing contract revenues. The budget estimates are calculated using trend analysis modified for factors that the City is aware of.

INTEREST INCOME: This represents interest earned on surplus funds in the General Operating Fund. The estimate is based on a similar cash flow and cash level as the previous year, and uses a projected 1.20% interest rate for 2020.

REVENUE FROM OTHER SOURCES DESCRIPTIONS
<p>GRANTS IN LIEU OF TAXES:</p> <p><i>Federal/Provincial Government</i></p> <p>All senior levels of government are exempted from paying property taxes on the annual assessment role. Both levels of Government, however, do recognize that the respective properties do cause a demand for municipal services provided through property taxation. As a result a grant in lieu is paid to the City. Provincial Grants are equal to full taxes and are estimated in that manner. Federal Grants are based on a deemed property valuation which does not provide a grant equal to full taxes, and the revenue stream is forecast accordingly.</p> <p><i>Utility Companies</i></p> <p>Utility companies do not pay municipal taxes on the value of their transmission lines or other equipment and structures, except buildings. In lieu of taxes, they pay a grant calculated at 1% of the utility revenue generated within the City during the previous year. These revenues are reported to the City and budget estimates are based on reported revenues.</p> <p>PROVINCE OF BC: This majority of this revenue is the City's portion of Casino Gaming Revenues which has been estimated using the actual payments received last year. However for 2021, it is assumed the casino will remain closed due to COVID-19 and no revenues will be received. To offset the loss of gaming revenues in 2021, the City is using the Canada/BC Safe Restart grant funding to offset the cost of programs usually covered with gaming revenue. This budget also consists of the local government's share of traffic fine revenues generated by the Province of BC. Budget estimates are based on the prior year's grant level until notification of the grant amount is received in the spring of the budget year. Finally this budget include the 2% hotel tax which was implemented in 2005 and is transferred to Discover Langley City for tourism promotion.</p> <p>FEDERAL GOVERNMENT: This revenue represents funds received from the Government of Canada in relation to the Gas Tax Agreement for Community Works. These funds are transferred to reserves for capital investment.</p> <p>TOWNSHIP OF LANGLEY: This revenue represents funds received from the Township of Langley under the Langley Youth and Family Services cost sharing agreement, the Emergency Planning service agreement and the RCMP building cost sharing agreement. Budget estimates are based on these agreements and budgeted expenditure increases.</p> <p>GVTA GRANT: This revenue represents the GVTA's grant to the City for the annual maintenance of Major Municipal Network Roads. The grant is based on the lane kilometers of Major Municipal Network Roads.</p>

LEGISLATIVE

Program Description: This program accounts for all expenses associated with the direct activities of City Council. City Council, made up of the Mayor and six Councillors, represents the citizens by providing community leadership in serving as the legislative and policy making body of municipal government. This program also contains the Enterprise funding and Community Grants which are funded solely by gaming proceeds.

Output: City Council holds approximately 25 Council meetings a year, about every two weeks at Langley City Hall. Elected representatives from City Council represent the City of Langley on many regional and provincial boards and committees. Council also attend many community meetings and events, workshops and policy meetings throughout the year.

RCMP DETACHMENT OPERATIONS

Program Description: This budget item provides for RCMP support staff in the form of administration, clerical and jail guards and the related office costs associated to these functions. It also provides maintenance to the RCMP building. These services are all performed in partnership with the Township of Langley and are cost shared based on formulas of 25% of the population and 75% of the 5 year rolling average of crime statistics. The City also pays an additional 8% administration charge to the Township for administering this function.

RCMP POLICING CONTRACT

Program Description: Police service for the City is provided by the Royal Canadian Mounted Police. This program is to provide a feeling of security to the citizens of Langley; through the proper management of available resources and with the support of the community as a whole, by the protection of life and property, the apprehension of criminals and crime prevention.

Output: The budget provides for a total contract strength to 54.4 members. It also includes a share in the Integrated Homicide Investigation Team (IHIT), Emergency Response Team and Forensics/Traffic Reconstructionist/Dog Patrol. The RCMP uphold the principles of the Canadian Charter of Rights & Freedoms and provide a professional standard of service.

COMMUNITY POLICE OFFICE

Program Description: The purpose of the Community Police Office is to bring the police closer to the community making it more convenient for citizens to report incidents and it promotes the development of a closer police community relationship which is consistent with the RCMP's commitment to community policing. It also allows the community to play an active role in policing the community through involvement in various volunteer programs.

Output: Community Policing is about preventing crime. RCMP members work interactively with the community to mutually identify and resolve community problems. This budget provides for the funding of a Information Officer at the CPO to coordinate volunteers and liaise between the public and RCMP. The Community Police Office is open between 8:30am & 4:30pm Monday to Friday at the office located at 20408 Douglas Crescent.

Fire Rescue Service

Protective Services Budgeted Expenditures

6 Year Expenditure Comparison

Cost Centre Description:

Our First Response Team consists of twenty (23) staff who maintain coverage twenty-four hours per day. This First Response Team backed up by a compliment of twenty-four paid-on-call firefighters provides for a five minute response time to any fire or medical emergency anywhere within the City of Langley boundaries.

In addition to our Emergency Response Programs, we have a Public Education and Fire Prevention Program under the direction of our Fire Prevention Officer. The FPO and our on-duty crews are out each and every day inspecting retail, commercial and industrial businesses within the City of Langley to ensure that when you enter into those premises as a customer or an employee, that you are operating under a fire safe environment. We also inspect all multi-family residential buildings to ensure safety for residents and visitors.

FIRE ADMINISTRATION

Program Description: Fire Administration is responsible for administration and technical planning, organizing and directing fire fighting, fire prevention and fire fighter training. Other responsibilities include providing initial human resources support in hiring and promotions, budgeting for annual and future requirements, and managing the day to day response of the department. Management is also responsible for maintaining a functional fire fighting team consisting of career and Paid-on-call staff.

Output: The main source of expenditure for fire management is Personnel & Benefits which includes the following positions: Fire Chief, Deputy Fire Chief, Asst Fire Chief and an Administrative Assistant. Training is held as needed with the Fire Chiefs involved in Metro Vancouver and Provincial focus groups to stay current.

FIRE SUPPRESSION

Program Description: The suppression crews are responsible for providing an efficient and timely response to emergencies for residents of the City of Langley. In addition to fire suppression, these crews assist with pre-hospital emergencies, and maintain an aggressive fire inspection program of local commercial and retail businesses. This program includes career staff wages and benefits as well as paid-on-call training and alarm responses. Also included are the annual costs for dispatching by the Surrey Fire Dept.

Output: Service is provided by 4 crews which provide fire suppression service 24 hours a day 7 days a week. Crews work 2 days 2 nights. Each crew consists of 5 firefighters which provide the necessary requirements to do daily inspections, public safety lectures, train on shift to approved national standards. These firefighters respond to every emergency type and provide a 24 hrs day/ 7 days a week service to the community.

PREVENTION & EDUCATION

Program Description: This program provides funding for all fire prevention and public education programs; these include: inspections, school programs, community days, fire prevention week activities, and juvenile fire setter programs; the education component provides funding for developing standards, purchase of manuals and audio- visual training aids, administering exams and funding seminars. This program also provides for the Training .

Output: Program provides funding for one fire prevention officer Monday to Friday 8:30 - 4:30. Visits each Langley city school twice a year to conduct fire drills, safety lectures and teach children how to deal with fire. The Fire Prevention Officer conducts safety lectures to strata councils, apartment blocks and the general public. This program and its materials give the Langley Firefighters a visible presence in the community and are found present at most community events.

Engineering & Operations Budgeted Expenditures

6 Year Expenditure Comparison

Cost Centre Description:

The Engineering and Operations Department is responsible for the 'hidden' services that we have all come to rely on as part of our daily lives, whether at work or play. We strive to ensure that our infrastructure is planned and upgraded appropriately and timely to meet the current and future demands of the City; ensure that the roads and sidewalks are maintained in a safe condition to drive and walk on; ensure that our streetlights and traffic signals are properly maintained for safety and traffic flow reasons; ensure that the streets are swept regularly to remove dirt and debris; and ensure that the signage and lane markings are maintained to provide accurate and direct guidance to all road users.

COMMON SERVICES

Program Description: This program provides engineering administration and management for various functions and activities within the Engineering and Operations Department.

Output: Provides office management and support services including record keeping, and work order controls. Performs survey work and inspection services, prepares engineering studies, ensures City maps are accurate and up to date, prepares conceptual designs and cost estimates for projects, performs capital project management, provides engineering review for all building and rezoning applications and permits.

OPERATIONS CENTRE

Program Description: To provide for the day to day cost of operating the Operations Centre including the cost of the Buyer/Storeskeeper and partial salaries of management and shop labour. Also included in this program are ancillary costs such as hydro, gas, telephone, janitorial services, and supplies.

Output: The Operations Centre provides an area to store the maintenance machinery, some water and sewer appurtenances, road salt and sand, and construction aggregate materials, all of which form an essential part of the overall maintenance of the city.

ROAD & PARKING MAINT.

Program Description: The Road and Parking Maintenance Program includes the maintenance of the road network and parking lot areas to ensure the safe and effective movement of traffic within our city.

Output: To ensure vehicles can operate safely while travelling within the city it is necessary for all roads to be structurally sound and free of defects. Some of the strategies that contribute to the road maintenance program include pot-hole repairs, crack sealing, lane grading, shoulder grading, shoulder gravelling, slot grinding and patching, and milling and paving. As well as addressing safety concerns a soundly designed road and parking lot maintenance program can extend the useful service life of some of the pavements, thus delaying capital costs needed for replacement.

BOULEVARD MAINTENANCE

Program Description: The Boulevard Maintenance Program includes the removal of debris, unwanted vegetation, filling of depressions, repairs to curbs and gutters, and suppression of dust.

Output: Routine maintenance to boulevards contributes to the overall aesthetic appearance of the city and sets an example for our businesses and residents to follow. Addressing specific shortcomings within the boulevards demonstrates due diligence on our part respecting claims from accidents.

SNOW REMOVAL

Program Description: The Snow Removal Program includes the salting and sanding of every street within the city during a snow event. As well as ensuring our residents can move safely within the city it also demonstrates our commitment to them to provide a level of service that is superior to the other lower mainland municipalities.

Output: The intent of the Snow Removal Program is to keep the snow from preventing our residents from the free and safe movement within our city.

6 Year Expenditure Comparison

Key Program Statistics	2019	2020	2021
Cost per Capita	\$ 5.54	\$ 5.43	\$ 5.42

STREET SWEEPING

Program Description: The Street Sweeping Program, which includes the sweeping of the primary streets in the downtown core 3 days per week, the sweeping of the secondary streets such as 200th and 208th every 10 days, the sweeping of the residential streets on a semi-annual basis, the collection of litter, and the emptying of the garbage containers contributes to the overall aesthetic appearance of the city. A regular sweeping program also shows that we are being diligent with respect to eliminating some of the possible causes of accidents. As well, because the sweeper operates on an early morning shift it allows us to be aware of and react to conditions such as ice and snow or infrastructure failure prior to the morning rush.

Output: To ensure the streets are clean, free of debris, the garbage bins are emptied routinely, and litter is picked up on a daily basis.

SIDEWALK & BRIDGE

Program Description: Sidewalk and bridge maintenance includes undertaking the repairs necessary to remedy trip hazards when identified by the public, sidewalk panel replacement due to excessive cracking or other failure, minor repairs to bridges, repairs to handrails, and installation and repair of wheel chair letdowns and other related infrastructure components.

Output: Properly maintained sidewalks and bridges allow for the free and safe movement of pedestrian and vehicle traffic throughout the city.

MAJOR MUNICIPAL ROADS

Program Description: Some of the services included in the Major Municipal Roads Program are road milling and paving, asphalt patching, snow removal, boulevard maintenance, curb and gutter repairs, crack sealing, minor bridge repairs, and repairs to sidewalks. Roads included in the program include 200 St, Fraser Hwy (West Municipal border to 203ST), Fraser Hwy (Langley Bypass to Municipal border), portions of Mufford Crescent, 203 Street, from Fraser Highway to Logan Avenue and the 204 St Overpass. Funding to maintain these roads is provided from Translink based on lane Km.

Output: An effective maintenance program will help ensure the safe and effective movement of pedestrian, pedestrian handicapped, and vehicle traffic throughout the city.

TRAFFIC SERVICES

Program Description: The Traffic Services Program includes the maintenance of all traffic control devices, street signs, lane marking, curb painting, and crosswalk marking. The proper operation of traffic control devices enables traffic to travel within the city in a safe and expeditious manner. Signs are maintained to ensure they properly display information and are visible in all weather conditions. Curb marking is routinely repainted to discourage parking in front of fire hydrants or in proximity to stop signs. Routine crosswalk marking painting is required to facilitate the safe crossing of roads by pedestrians.

Output: To enable the safe and effective movement of vehicular, pedestrian, and pedestrian handicapped traffic throughout the city.

LANDFILL MONITORING

Program Description: The city is required to monitor the groundwater leachage levels from the old landfill site. It is tested monthly for organic constituents, dissolved metals, inorganic nonmetallics, and trace metals. Although the samples are collected and submitted by city staff the testing is conducted by a private laboratory.

Output: To meet the Provincial requirements the Landfill Monitoring program is essential to our operation.

PLANNING, INSPECTION, LICENCING

Program Description: This program supplies services related to the planning and development of the City. The program's activities are directed in four main areas: Community Planning; Building Inspection, Permits and Licenses.

Output: The Department is responsible for providing professional planning advice to Council including the preparation of the Official Community Plan (OCP) and other planning policy documents. The Department is also responsible for processing a variety of development applications to ensure effective land-use planning and conformance with regulatory bylaws, policies and legislation, including: OCP Amendments, Zoning Bylaw Amendments, Development Permits, Development Variance Permits, Subdivisions, Land Use Contract Amendments, Building Permits, Plumbing Permits and Sign Permits. In addition, the Department is responsible for Business Licensing to ensure compliance with City bylaws as well as provincial standards and legislation.

Solid Waste

**Solid Waste
Budgeted Expenditures**

Cost Centre Description:

The City strives to provide reliable bi-weekly garbage and weekly curbside green waste collection and disposal services to the residents of the City. The curbside greenwaste collection program offers our residents an environmental friendly alternative to dispose their greenwaste while reducing the cost of garbage disposal. The City also provides 4 large items to be picked up throughout the year.

LANGLEY CITY LIBRARY

Program Description: This program supplies City residents with all their library services which includes the facility, book/material borrowing, reference material, computer access, library programs, meeting rooms and concession. Library service is contracted through the FVRL (Fraser Valley Regional Library) which allows City residents to access books from the entire region instead of being limited to only the content within the individual library.

Output: Facility is open 7 days a week. Hours of operation are Monday to Thursday 9am to 9pm; Friday 9am to 5pm; Saturday 10am to 5pm; and Sunday 1pm to 5pm. Approximately 300,000 books are borrowed on an annual basis with about 200,000 visits to the library each year. Since the Library resides in the same building as City Hall, the costs for maintenance and operations are proportionately shared based on floor area.

Parks Operations

Parks Operations Budgeted Expenditures

6 Year Expenditure Comparison

Cost Centre Description:

The Parks Operations Division strives to provide a high quality of playing condition at our sportsfields for all park users; create an visually attractive environment at our parks with abundance and well-designed floral and landscape displays; maintain our natural trail systems in a safe and welcoming condition; develop play structures at our parks that promote social, physical fitness, and creativity opportunities for children; and develop community pride. We strive to create an environment in our park systems that promote active living and participation.

OTHER PARKS COSTS

Program Description: To cover miscellaneous items, special events, unforeseen circumstances, new initiatives. Bi-annual clean up of all City walkways that interconnect neighbourhood and schools throughout the City.

Output: City Walkways receive regular maintenance and overall clean up, once in the Spring and again in the Fall. Travel costs and dumping fees from site excavations, tree and shrub removal, general park clean up and hauling to a dump site. Upgrades to school facilities that are being utilized by City user groups. Assist with volunteer initiatives within the City, such as the Point of Pride Program.

Sewerage & Drainage Fund

2021-2025 Financial Plan

SEWER & DRAINAGE FUND

The sewer user rate structure in 2021 will increase by \$0.06/CM. The sewer rate increase is to offset an increased allocation of administrative costs from the general fund, an increases in wages and supplies and additional transfer to reserves for future capital infrastructure replacements.

The consumption based charge will increase to \$1.33 per cubic meter (based on 80% of water consumption) and the flat fee will remain at \$75. Sewerage and Drainage rates are designed to attain a user pay system by charging customers for their actual use. The average total cost for a Single Family Home in 2021 will be \$426.12 (an increase of \$15.84 over 2020), and \$277.16 (an increase of \$9.12 over 2020) for a Strata Dwelling.

Other Sewer revenues consist of Interest Income from investments as well as a proportionate share of interest and penalties which have been generated from outstanding taxes.

An annual levy from the GVS&DD for sewer treatment and disposal, accounts for over 55.9% of the expenditures in this fund. The GVS&DD has decreased this levy by \$52,320 in 2021. The GVS&DD has indicated that there will be annual increases in sewer costs between 7.1-13.6% over the next five years to allow for upgrades and improvements to treatment facilities.

Fiscal Services includes an annual "Interfund Cost Allocation" which is an allocation of expenses from the General Fund for Administration, Payroll, Purchasing, Customer Services, General Office Services, Insurance and claims.

ADMINISTRATION & BILLING

Program Description: Costs are for the provision of the following services: Administration of Sewerage & Drainage maintenance, Billing and Collection.

Output: The primary expenditure in this program is Personnel costs. These costs are associated with administering the maintenance of the sewer system, and other costs associated with billing and collection of sewerage revenues.

SEWER SYSTEM OPERATION

Program Description: Provides for the maintenance and repair of the community's sanitary sewer and drainage systems. Services include sanitary sewer flushing of mains, repairing plugged services, locating and adjusting manholes, repairing sanitary and drainage mains and manholes. There is also regular monitoring of the amount of flow in the sanitary sewer system to determine if there is an inflow and infiltration problem in the system.

Output: To maintain the drainage, storm sewer and sanitary sewer system to remove impediments in order to operate effectively during peak demand and flood conditions. To maintain our four sanitary lift stations that form a key part of our sanitary sewerage distribution system. These stations convey liquid waste from some of the lower lying areas within the city, through a series of pumps, to the Greater Vancouver Sewer & Drainage District transmission mains. Regular maintenance to the pumps and other components of the lift station is required to minimize the threat of sanitary backups to businesses and residences in these areas.

SEWER TREATMENT & DISPOSAL

Program Description: The City's sanitary discharge is dumped to the Annasis Island treatment plant, which is operated by the GVS&DD. An annual levy is charged by the GVS&DD to recover the operating cost for the treatment plant. The GVS&DD will be starting to meter the actual sanitary discharge from the City, therefore the annual levy will be phased out over the next five years and the City will be charged on actual discharge volume.

Water Fund

2021-2025 Financial Plan

WATER FUND

Water fees are made up of two components, a flat fee and a volume based fee. Volume is based on the property's metered water consumption, which is then billed on an annual basis for most residential properties and low consumption commercial properties. The consumption based charge will increase \$0.09/CM in 2021. Future years volume based rates for 2022-2025 are estimated to increase between 3.1-7.7% annually.

The rate increase is to offset an increased allocation of administrative costs from the general fund, increase in the GVWD water rates and an increases in wages and supplies.

Water rates are designed to attain a user pay system by charging customers for their actual use. The average total cost for a Single Family Home in 2021 will be \$550.20(an increase of \$29.70 over 2020), and \$348.60 (an increase of \$17.10 over 2020) for a Strata Dwelling.

Commercial Water usage is also metered, but is billed on a bi-monthly basis instead of annually. If the bi-monthly bill is paid before the discount date the rates are comparable to residential rates, otherwise they are 10% higher.

Other Water revenues consist of Interest Income from investments as well as a proportionate share of interest and penalties which have been generated from outstanding taxes. Also included is a recovery fee for the maintenance and operation of fire hydrants.

Fiscal Services includes an annual "Interfund Cost Allocation" which is an allocation of expenses from the General Fund for Administration, Payroll, Purchasing, Customer Services, General Office Services, Insurance and claims.

The GVWD has indicated that there will be increases in water costs over the next 5 years to allow for improved water infrastructure, the plan presented includes an increase of 3.5% in rates for 2021. The water purchase cost of \$2.9 million makes up 62.4% of the expenditures in the water fund. The plan presented allows additional increases in the next four years (2022-2025) between 5.2-10.8% annually.

ADMINISTRATION & BILLING

Program Description: This program provides funding for Administration, as well as billing and collections of the City's water system. Provision for reading residential water meters once a year and reading commercial water meters once every two months. Water meter reading and maintenance is currently contracted to Neptune Technologies Inc.

Output: Water consumption is broken down into two categories, Residential and Commercial. Residential is currently read once a year and is billed on the annual property tax notice. Commercial accounts are read and billed on a bi-monthly basis. This program's main expenditure is for Wages & Benefits which includes a proportion of the Director of Engineering and the Manager of Engineering Operations.

WATER SYSTEM OPERATION

Program Description: To ensure proper operation of all facets of the water distribution system by undertaking a detailed maintenance program including: water mains, fire hydrants, line and lateral valves, PRV's, reservoir, pumps, backflow preventers, water metres and air valves.

Output: To provide excellent quality water to residents of the City; adhere to requirements set out in the Drinking Water Protection Act; and to extend the useful life of distribution infrastructure. To ensure the supply of potable water to the residents is uninterrupted and the quality is safe for consumption. To maintain fire hydrants and line valves annually. Water mains require flushing at least once per year to remove bio-deposits that can negatively affect water quality and provide a growth medium for harmful micro-organisms in the event they are introduced into the system. PRVs require maintenance to ensure system pressures do not fluctuate excessively. Maintain reservoir and pump stations to provide water storage, additional supply and pressure during peak demand.

WATER EXPENDITURES

WATER PURCHASES

Program Description: The City purchases water from the GVWD (Greater Vancouver Water District) for all residential, industrial, commercial, and institutional properties. The City's water consumption is measured by a single meter from the GVWD and is billed on a monthly basis.

Output: All water is purchased from the GVWD to supply the residents of Langley. The City maintains a water reservoir to ensure supply of water to City residents in the case of any temporary stoppage in supply from the GVWD.

Casino Proceeds

Tax rate effect if debt is repaid over 15 years through MFA at 1.8% interest

	Projects Completed	Annual Interest	Principal Repayment	Total Annual Repayment	Property Tax Effect
Previous year Projects	\$ 72,733,088	\$ 1,309,196	\$ 4,282,334	\$ 5,591,530	18.73%
2021 projects	2,811,980	50,616	165,562	216,178	0.72%
	<u>\$ 75,545,068</u>	<u>\$ 1,359,811</u>	<u>\$ 4,447,896</u>	<u>\$ 5,807,707</u>	<u>19.45%</u>

Every \$1 in debt generates another \$0.27 in interest cost over 15 years. So if we borrow \$7.5 million today we will repay \$9.525 million in interest and principal over the next 15 years. If we avoid the debt by using casino proceeds today (as per the policy) we will have an additional \$2.025 million available for infrastructure renewal.

GG1	IT Computer Workstation Upgrade	Workstations are replaced after five years of service.	25,000	None.
GG2	IT Infrastructure Upgrade	Upgrade the network switches	7,500	None.
GG3	Office Equipment Replacement	Ongoing office equipment replacements.	15,000	None.
GG4	Microsoft 365 / Office 365 with MFA	Migrate licensing requirements to Microsoft 365	25,000	Ongoing licensing costs.
GG5	City Hall Surveillance Camera Upgrade	Update camera hardware	20,000	None.
GG6	Tempest eApply for Business Licenses	Allows online business license applications	25,000	Annual licensing fee of \$1,360.
GG7	City Hall Duct Cleaning	Clean the heating and ventilation system in City Hall / Timms Community Centre after the renovations have been completed.	10,000	None.
GG8	Firewall/EOC Network Switch	Upgrade switch and add a second firewall device	35,000	None.
GG9	Strategic Planning	Undertake a 5 year strategic planning update	15,000	None.
GG10	Contingency for Future Land Purchases	Purchase of strategic properties throughout the City.	7,500,000	Properties may become exempt from taxation due to municipal ownership and therefore reduce taxation revenue. Annual debt servicing costs are \$576,580
GG11	Council Chamber AV Upgrade	Upgrade the Council Chamber AV equipment	60,000	None.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
Protective Services Projects				
RP1	RCMP Office Equipment & Computers	To provide funding for computers, furniture and equipment replacements at the RCMP detachment	29,750	None.
RP2	RCMP Fleet Vehicle	Add an additional fleet vehicle to the vehicle pool.	18,900	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
RP3	RCMP Building Improvements	Repair the main RCMP detachment building,		Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD1	LCFRS Command Vehicle	Replace 1999 Command Vehicle	80,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD2	LCFRS Rescue 1 Vehicle	Replace 1996 Rescue truck	856,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD3	LCFRS Hose & Nozzles	Replace hose and obsolete nozzles.	15,000	None.
FD4	LCFRS Operational Review	Engage a consultant to review the department and make recommendations about future growth of the department and determine if the arrival of sky train will affect department staffing.	60,000	None.
FD5	Utility Truck Replacement	Replace a utility truck that is at the end of it's useful life	60,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD6	LCFRS Ground Ladders	Replace Aging Equipment	5,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD7	LCFRS Replace Engine 11	Replace 20 year old fire truck	1,300,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD8	LCFRS Furniture	Replace damaged and worn office and sleeping quarters furniture	10,000	None.
FD9	LCFRS Training Materials	Upgrade training manuals to meet current NFPA standards	25,000	None.
FD10	LCFRS Ladder Truck Replacement	Replace 20 year old fire truck	2,500,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
Engineering Projects				
E1	Equipment Replacement		0	None.
E2	Road Rehabilitation	Rehabilitate Roads and pavement to acceptable standards.	610,000	Remedial work to deteriorated roads will extend the life of the roads and will reduce significant road reconstruction costs in the future.
E3	Misc Property Purchase	To provide funding for possible future land acquisition and development	50,000	None.
E4	Master Transportation Plan	Undertake a Master Transportation Plan after the new OCP is adopted	110,000	None.
E5	Banner Renewal (Neighbourhood & Cross Street)	Replace banners on a scheduled cyclical plan	16,200	None.
E6	Pedestrian Facilities (DCC-R014)	Includes the procurement of land and construction activities associated with providing sidewalk, off-street multi-use pathways. Includes Accessibility Improvements and Bus stop Accessibility, Additional sidewalk priorities from Master Transportation Plan.	100,000	Marginal incremental maintenance costs will be required in future years.
E7	200 St, 62 Ave to CPR Track	This cost shared project is with the Ministry of Transportation and Infrastructure	720,000	Remedial work to deteriorated roads will extend the life of the roads and will reduce significant road reconstruction costs in the future.
E8	Traffic Signal Upgrades (DCC-R011)	Traffic signal equipment has a best practise life expectancy - 12 years for the cabinet and controller and 25 years for the signal heads, poles and wiring.	275,000	Current maintenance cost to maintain this traffic signal will be reallocated to maintain other aging signals.
E9	208 St Bike Lanes	Install bike lanes on 208 St in conjunction with Translink	679,705	Marginal incremental maintenance costs will be required in future years.
E10	Sidewalk Extension at 208 St & 45A Ave	Sidewalk installation at 208 St and 45A Ave	50,000	None.
E11	Traffic Signal Conflict Monitor Tester	Replace traffic signal tester with an upgraded version	15,000	None.
E12	62 Ave & 203 St Intersection	Upgrading 203 St. & 62 Ave. intersection that also includes traffic signal upgrades, road widening, and hydro pole relocation on the City side.	200,000	Marginal incremental maintenance costs will be required in future years.
E13	Asset Management Road Condition Assessment	Software to assist in road condition assessments	10,000	None.
E14	Retaining Wall Rehabilitation	Reassess the retaining walls safety and structural condition and provide designs for those that needed to be replaced/rehabilitated	50,000	Marginal incremental maintenance costs will be required in future years.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E15	Accessibility Improvements	Construct wheelchair curb letdowns to facilitate access.	10,000	Marginal incremental maintenance costs will be required in future years.
E16	Bicycle Facilities (DCC-R013)	Includes the procurement of land and construction activities associated with providing bicycle lanes, shared lanes, bicycle storage facilities.	50,000	Marginal incremental maintenance costs will be required in future years.
E17	Transit Support Measures (DCC-R012)	Install concrete bus landing pads at various locations throughout the City	0	None.
E18	Langley Bypass & 56 Ave Intersection	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	685,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E19	199A St, 49 Ave to Cul-de-sac	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	60,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E20	206 St, 45A Ave to 46 Ave	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	30,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E21	Median Improvements	Median rehabilitation.	200,000	Current maintenance cost to maintain these medians will be reallocated to maintain other deteriorating medians.
E22	202 St/203 St/ 47 Ave/ 48 Ave Loops	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	320,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E23	196A St, Fraser Hwy to 60 Ave (DCC-R017)	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	100,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E24	Fraser Hwy 204 St to 206 St Streetscape	Rehabilitate road, utility and make streetscape improvements.	4,675,212	Remedial work to deteriorated roads will extend the life of the roads and will reduce significant road reconstruction costs in the future.
E25	Fraser Hwy 204 St to 206 St Hydro Underground	Undergrounding of the BC Hydro power lines would be subject to 1/3 grant funding from BC Hydro.	1,800,000	None.
E26	Douglas Crescent, 204 St to 206 St	Rehabilitate road, utility and make streetscape improvements.	1,956,915	Remedial work to deteriorated roads will extend the life of the roads and will reduce significant road reconstruction costs in the future.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E27	200 St: 44 Ave to 50 Ave (E)	Road rehabilitation in conjunction with AC water main replacement.	1,000,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E28	Old Yale Bridge Assessment	Assess Old Yale Bridge structure	30,000	None.
E29	Parking Study	Undertake a parking study	100,000	None.
E30	55A Ave: 200 St to 201A St	Road rehabilitation in conjunction with AC water main replacement.	200,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E31	Operation Centre	Construct a new Operations Centre to post disaster standard.	13,000,000	Maintainance costs will be reduced and efficiencies increased with one centralized Operation Centre.
E32	198 St: 53 Ave to 56 Ave	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	450,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E33	201A Street: 56 Ave to 56 Ave (DCC-R008)	New traffic signal	396,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E34	Grade Crescent, 200 St to 208 St (DCC-R004)	Reconstruct to a collector road standard including sidewalks (\$350K) and bicycle lanes (\$200K)	8,650,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E35	49 Ave, 196 St (Border) to 200 St	Road rehabilitation in conjunction with AC water main replacement.	400,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E36	204 St: 53 Ave to Fraser Hwy	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	350,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E37	206 St: 53A Ave to 56 Ave	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	1,000,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E38	Park Ave: 204 St to Douglas Cr	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	110,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E39	206 St: 44A Ave to 46A Ave	Road rehabilitation in conjunction with AC water main replacement.	120,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E40	207A St: 44A Ave to 46A Ave	Road rehabilitation in conjunction with AC water main replacement.	150,315	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E41	46 Ave: 206A St to 207A St	Road rehabilitation in conjunction with AC water main replacement.	75,705	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E42	46 Ave: 208 St to 209A St	Road rehabilitation in conjunction with AC water main replacement.	74,210	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E43	55A Ave: West End (City Limit) to 198 St	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	153,810	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E44	208 St: Fraser Hwy to 56 Ave	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	114,950	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E45	Logan Ave: 204 St / Duncan Way to 203A St	Road rehabilitation in conjunction with AC sanitary sewer replacement.	90,510	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E46	207 St: 53A Ave to Douglas Cr	Road rehabilitation in conjunction with AC sanitary sewer replacement.	116,045	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E47	56 Ave: 203 St / Douglas Cr to Fraser Hwy	Road rehabilitation in conjunction with AC water main replacement.	81,015	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E48	55 Ave: West End (Cul-de-sac) to 198 Ave	Road rehabilitation in conjunction with AC water main replacement.	46,295	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E49	Eastleigh Cr: Glover Rd to 56 Ave	Road rehabilitation in conjunction with AC water main replacement.	156,125	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E50	208 St: South End (Cul-de-sac) to Douglas Cr	Road rehabilitation in conjunction with AC water main replacement.	62,910	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E51	45A Ave: 199 St to 200 St	Road rehabilitation in conjunction with AC water main replacement.	75,660	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E52	209 St: 45A Ave to 46 Ave	Road rehabilitation in conjunction with AC water main replacement.	20,320	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E53	Road Rehabilitation (various locations)	Road rehabilitation	1,050,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E54	Fraser Hwy: 56 Ave to 204 St / Glover Rd	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	81,700	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E55	54 Ave: 201A St to 204 St	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	141,350	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E56	54A Ave: 201A St to 203 St	Road rehabilitation in conjunction with AC water main replacement.	78,720	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E57	53B Ave: 200A St to 201 St	Road rehabilitation in conjunction with AC water main replacement.	23,545	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E58	206A St: 45 Ave to 46 Ave	Road rehabilitation in conjunction with AC sanitary sewer replacement.	45,070	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E59	53A Ave: West End (Cul-de-sac) to 200 St	Road rehabilitation in conjunction with AC sanitary sewer replacement.	12,180	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E60	Michaud Crescent Greenway	Road rehabilitation in conjunction with AC water main replacement.	4,700,000	Marginal incremental maintenance costs will be required in future years.
E61	51A Ave: West End (Cul-de-sac) to 204 St	Road rehabilitation in conjunction with AC sanitary sewer replacement.	30,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E62	Road Rehabilitation (various locations)	Road rehabilitation	1,650,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E63	54A Ave: West End (Cul-de-sac) to 198 Ave	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	50,920	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E64	Old Yale Rd 1: Northwest End to Old Yale Rd	Road rehabilitation in conjunction with AC water main replacement.	184,005	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E65	48 Ave: 196 St (City Boundry) to 200 St	Road rehabilitation in conjunction with AC water main replacement.	119,670	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E66	48A Ave: 196 St to 1/2 Way	Road rehabilitation in conjunction with AC water main replacement.	45,595	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E67	53A Ave: 200A St to 201 St	Road rehabilitation in conjunction with AC water main replacement.	25,805	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E68	Road Rehabilitation (various locations)	Road rehabilitation	1,044,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E69	200A St: 53A Ave to 53B Ave	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	20,505	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E70	200 St: 56 Ave to Industrial Ave	Road rehabilitation in conjunction with AC sanitary sewer replacement.	459,415	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E71	197B St: 49 Ave to North End (Cul-de-sac)	Road rehabilitation in conjunction with AC water main replacement.	50,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E72	198 St: 56 Ave to Production Way	Road rehabilitation in conjunction with AC water main replacement.	170,165	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E73	Road Rehabilitation (various locations)	Road rehabilitation	1,300,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E74	200 St: Fraser Hwy to Production Way / Logan	Road widening and associated upgrade	2,271,655	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E75	200 St: 56 Ave to 57A Ave (DCC-R006)	Intersection Improvements, eliminate short right turn merge lane and advance left turn signal.	100,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E76	200 St: Michaud Cr to Brydon Cr (DCC-R019)	Reconstruct to a collector road standard.	718,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E77	Transportation Improvements	Provide funding for future Transit Projects.	5,000,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E78	62 Ave: 200 to Mufford (DCC-R003)	Reconstruct 62 Ave between 200 Street and Mufford Crescent to arterial road standard.	2,000,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
Parks & Recreation Projects				
P1	Equipment Replacement	Replace Unit #228 07 New Holland Tractor Flail mower attachments \$105K.	105,000	None.
P2	Trail System Expansion (DCC-P018)	Expand trail system to provide more connectivity; design and build strategically located infrastructure to support the trail system, like retaining walls.	40,000	Additional operating dollars for maintenance will be required.
P3	Timm's Equipment	Replace aging equipment.	10,000	None.
P4	DRC Equipment	Replacement of aging equipment.	10,000	None.
P5	AAMP Equipment	Replace equipment and teaching aids.	10,000	None.
P6	Neighbourhood Park Upgrades (Amenity)	Plan upgrades with community input for parks that need a minor level of upgrade: Buckley Park, Conder Park and other neighbourhood parks and open space.	20,000	None.
P7	Park Amenity Replacement (Amenity Fund)	To provide amenities within the community funded by development (public art, street furniture, hydro box wraps and other beautification measures)	20,000	None.
P8	City Park Field Upgrade	Upgrade existing soil based field area with drainage & Irrigation and configure space to accommodate 4 small baseball diamonds.	1,500,000	Additional operating dollars for maintenance will be required.
P9	Portage Park Upgrades - Sport Court	Conduct upgrades as outlined in the planning process	200,000	Additional operating dollars for maintenance will be required.
P10	City Park Ball Diamond Back Stops	Ball Diamond Back Stops	200,000	None.
P11	Timms Gymnasium Floor Refinishing	Refinish gymnasium floor - re-align the lines to	60,000	None.
P12	Nicholas Park Tennis Courts	Resurface and paint the single tennis court at	15,000	None.
P13	Playground Fall Protection	Increase depth of wood fibre fall protection at 13 playgrounds throughout the City.	75,000	None.
P14	P&R Master Plan	Update the P&R Master Plan	125,000	None.
P15	Median Upgrades	Median rehabilitation.	60,000	None.
P16	Sports Box Line Painting (Amenity)	Re-line sport box lines at Douglas and City Parks	20,000	None.
P17	Bleachers & Concrete Slab @ Conder Park (Am	Install a concrete slab and bleachers at Conder Park	40,000	Additional operating dollars for maintenance will be required.
P18	Bleachers & Concrete Slab @ Douglas Park (An	Install a concrete slab and bleachers at Douglas Park	60,000	Additional operating dollars for maintenance will be required.
P19	Penzer Park Entrance Enhancement (Amenity)	Adding a garden and paving treatments at the entrance of Penzer Action Park	50,000	Additional operating dollars for maintenance will be required.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
P20	Sendall Garden's Parking Lot (Amenity)	Rehabilitate the parking lot pavement	50,000	Less maintenance will be required once the parking lot is restored.
P21	Conder Fencing (Amenity)	Install fencing and curb stops along the parking lot at Conder Park	30,000	None.
P22	McBurney Christmas Decorations (Amenity)	Enhance Christmas Decorations at McBurney Plaza	80,000	Operating, electrical and maintenance costs will increase with the additional decorations.
P23	Innes Corners Plaza Tile Replacement	Replace Paving Tiles at Innes Corners Plaza	50,000	None.
P24	206A Pedestrian Bridge	Replace pedestrian bridge at 206A St over the Nicomekl River	400,000	Operating and maintenance costs will increase with the additional facility
P25	Brydon Park	Implement phase 1 of the master plan	75,000	Operating and maintenance costs will increase with the additional facility
P26	Remove Tree Hazard - Langley Airport Flight Path	The Langley Airport has requested some trees in the Nicomekl floodplain be topped or removed to ensure a safe flight path for incoming airplanes on runway 07.	10,000	None.
P27	DRC Outside Washroom Upgrade	Repair and refurbish the outside public washrooms at the Douglas Recreation Centre	70,000	Operating and maintenance costs will decrease with the repairs to the washroom
P28	Conder Park - Upgrades, Riparian, Viewing Platform (DCC-P005)	Make improvements anticipated in the DCC bylaw including riparian area remediation and viewing platform.	265,000	Operating and maintenance costs will increase with the additional facility
P29	Library Roofing Membrane Replacement	Replace the lower roof over the library and Timms washroom area to prevent water penetration into the building envelop	100,000	None.
P30	Public Art (Amenity Fund)	To provide amenities within the community funded by development (public art, street furniture, hydro box wraps and other beautification measures)	20,000	None.
P31	Open Space Upgrades - Innes Plaza, McBurney Plaza, BC Hydro Corridor	Conduct moderate upgrades to open space.	5,000	None.
P32	Brydon Park - Phase II	Conduct moderate upgrades of the paths and nature interpretation as outlined in the planning process above.	850,000	Additional operating dollars for maintenance will be required.
P33	Douglas Park - Trees & Paths (DCC-P006)	Make improvements anticipated in the DCC bylaw.	75,000	None.
P34	Urban Forest Management Strategy	Develop an urban forest management plan for the City's street trees.	40,000	None.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
P35	Wayfinding, Regulatory and Interpretive Signs	Develop and install a set of wayfinding, regulatory and interpretive signs for parks, trails, bike routes and recreation / community centres that are consistent with the park identification signs.	10,000	None.
P36	DRC - Renovate Second Flr	Renovate 2nd Floor of DRC for additional use	30,000	Operating and maintenance costs will increase with the additional facility
P37	City Park - Barbour Diamond Field Upgrade	Upgrade the sports field in City Park	600,000	Operating and maintenance costs will increase with the additional facility
P38	City Park - North Diamond Field Upgrade	Upgrade the sports field in City Park	550,000	Operating and maintenance costs will increase with the additional facility
P39	School Site Upgrading	Upgrade play areas at school sites through a joint use agreement where applicable and there is a community benefit	30,000	None.
P40	City Park - Cook Diamond Field Upgrade	Upgrade the sports field in City Park	550,000	Operating and maintenance costs will increase with the additional facility
P41	Rotary Park (DCC-P017)	Implement phase I of the master plan	450,000	Additional operating dollars for maintenance will be required.
P42	Buckley Park - East Field Upgrade	Upgrade the sports field in Buckley Park	600,000	Operating and maintenance costs will increase with the additional facility
P43	Buckley Park - West Field Upgrade	Upgrade the sports field in Buckley Park	600,000	Operating and maintenance costs will increase with the additional facility
P44	Douglas Park - Lawn Bowling Green and Clubhouse	Consider rebuilding the lawn bowling green in Douglas Park with artificial turf and rebuild the clubhouse as a multi-use facility, in partnership with the lawn bowling club and other user groups.	1,000,000	Operating and maintenance costs will increase with the additional facility
P45	Linwood Park - Trees, Pathway, Drainage	Conduct moderate upgrades to the park as outlined in the planning process.	300,000	Additional operating dollars for maintenance will be required.
P46	Linwood Park - Amenities	Upgrade park amenities	650,000	None.
P47	Sendall Gardens - Building Area (DCC-P015)	Make improvements anticipated in the DCC bylaw.	1,000,000	Operating and maintenance costs will increase with the additional facility
P48	Hydro ROW Greenway - Paved Trails, Community Gardens (DCC-P007)	Make improvements anticipated in the DCC bylaw.	1,400,000	Operating and maintenance costs will increase with the additional facility
P49	Brydon Park - Land Acquisition (DCC-P001)	Make improvements anticipated in the DCC bylaw	2,500,000	Operating and maintenance costs will increase with the additional facility
P50	Nicomekl Park - Trails, Interpretive Signage, Viewing Platform (DCC-P012)	Make improvements anticipated in the DCC bylaw	800,000	Operating and maintenance costs will increase with the additional facility

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
Sewer & Drainage Utility Projects				
S1	Sewer Replacements - Various Locations (DCC-S020)	Small capacity upgrade to the sewer system in various locations.	130,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S2	Large Diameter Culvert Cleaning & Inspection	To clean and inspect large diameter culverts in the City creek system to identify defects and reduce flood risk.	100,000	Operating and maintenance costs will reduce with repairs of identified defects in the storm sewer system.
S3	Video Condition Assessment	Carryout video condition assessments of underground pipes.	50,000	None.
S4	Infiltration Inflow Control Program	Detect unnecessary rain water inflow into the sewer system.	50,000	None.
S5	Sewer Model Update	To assess sanitary sewer upgrade needs as a result of the new OCP.	120,000	Will set new rates for the DCC bylaw and identify other capital project needs.
S6	Michaud Crescent, 200 St to 203 St (DCC-S002)	A DCC project to upsize the sanitary sewer east of 200 St. to allow for future development in the area.	430,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S7	Glover Road Storm Sewer	To repair and replace the storm sewer pipe in conjunction with the Glover Road Bike Lane project	300,000	Operating and maintenance costs will reduce with repairs of identified defects in the storm sewer system.
S8	Leachate Pump Station Retrofit	Replace the leachate pump nearing the end of its useful life.	250,000	Variable speed pumps will improve efficiency and increase life expectancy reducing overall operational costs.
S9	46A, 206A to 207 Storm Sewer	Increase the size of the perforated pipes in the project area to address potential flooding issues.	486,000	Operating and maintenance costs will reduce with improvements in the storm sewer system.
S10	Floodplain mapping	Undertake a floodplain mapping study to confirm flood levels, construction flood levels and determine mitigation strategies. Funding under the National Disaster Mitigation Program (NDMP).	120,000	None.
S11	Storm and Sanitary Sewer Point Repairs	Using the CCTV results to repair segments of storm & sanitary pipes that are cracked or broken.	125,000	Operating and maintenance costs will reduce with improvements in the storm & sanitary sewer systems.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
S12	196A St, Fraser Hwy to 60 Ave	Replace existing storm sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	250,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S13	56 Ave, 200 St to 203 St (DCC-S011)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	300,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S14	Fraser Hwy Sewer Replacement - 204 St to 208 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	1,136,880	None.
S15	Douglas Crescent, 204 St to 206 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	799,595	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S16	Brydon Lagoon Viewing Platform	To construct a wooden walkway/viewing platform along the perimeter trail to improve views around and within the lagoon	300,000	None.
S17	Drainage Upgrade	Undertake upgrades identified in the ISMP (Integrated Storm Management Plan)	2,000,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S18	Riparian Areas on Nicomekl River	Reforest impacted riparian areas within designated setbacks on non-ALR lands. Remove invasive species and reforest with native plants and shrubs.	1,800,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S19	Senior Resource Centre Pond	To complete improvements as per the pond study including storm water management.	250,000	None.
S20	Operation Centre	Construct a new Operations Centre to post disaster standard.	400,000	Maintainance costs will be reduced and efficiencies increased with one centralized Operation Centre.
S21	198 St: 53 Ave to 56 Ave (DCC-S019)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	580,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S22	Industrial Avenue: 201 St to 203 St (DCC-S006)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	437,250	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S23	49 Avenue: 196 St to 200 St (DCC-S013)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	672,375	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
S24	204 St: 53 Ave to Fraser Hwy	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	134,195	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S25	206 St: 53A Ave to 56 Ave	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	108,995	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S26	56 Ave, Forcemain Assessment	Assess forcemain on 56 Ave.	100,000	None.
S27	Park Ave: 204 St to Douglas Cr	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	157,340	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S28	Brydon Lagoon - Enhance Public Features	Enhance the public features at the Brydon Lagoon	50,000	None.
S29	55A Ave: West End (City Limit) to 198 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	137,480	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S30	208 St: Fraser Hwy to 56 Ave	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	3,820	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S31	Logan Ave: 204 St / Duncan Way to 203A St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life.	129,345	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S32	207 St: 53A Ave to Douglas Cr	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life.	181,870	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S33	206 St: 53A Ave to Douglas Cr (DCC-D006)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	132,415	Operating and maintenance costs will reduce with repairs of identified defects in the storm sewer system.
S34	206 St: 53A Ave to Douglas Cr (DCC-S015)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	649,440	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S35	Langley Bypass Lift Station (DCC-S022)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	223,500	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S36	Grade Cr: 203 St / 48 Ave to 205 St (DCC-S005)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	2,500,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S37	Fraser Hwy: 56 Ave to 204 St / Glover Rd	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	122,380	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
S38	54 Ave: 201A St to 204 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	76,820	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S39	54A Ave: 201A St to 203 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life.	61,705	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S40	53B Ave: 200A St to 201 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life.	78,070	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S41	54A Ave: West End (Cul-de-sac) to 198 Ave	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	142,755	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S42	51A Ave: 50A Ave to 206 St (DCC-S018)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	305,250	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S43	200A St: 53A Ave to 53B Ave	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	23,850	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S44	200 St: 56 Ave to Industrial Ave	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life.	464,595	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S45	Brydon Lagoon - Deepen Sections	To provide deeper areas within the lagoon so fish could retreat to these areas if water is too warm in the shallower zones	200,000	None.
S46	200 St: Production Way / Logan Ave to Langley Bypass (DCC-S017)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	801,900	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
Water Utility Projects				
W1	Water Meter Replacement Program	To replace aging water meters that read the water consumption inaccurately.	200,000	Water consumption charges to consumers may increase with more accurate reading ability.
W2	Fire hydrant at Douglas Crescent & 203 St	Install a new fire hydrant on the north side of Douglas Crescent.	15,000	Reduce on-going maintenance cost.
W3	198 St, 55 Ave to 56 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	100,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W4	198 St, South of 46 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	150,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W5	Park Ave, 204 St to Douglas Crescent	Replace & upsized old AC watermain from 150mm to 200 mm	140,000	
W6	Water Model Update	Update the water model	100,000	None
W7	Watermain Condition Assessment (MAMP)	Watermain Condition assessments funded by the FCM's Municipal Asset Management Program.	75,000	None.
W8	Glover Road Watermain Upgrade	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	744,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W9	Eliminate Pipe Twinning	Certain area have two sets of pipes in the same roadway. To reduce the amount of maintenance the City will switch some of the services from the duplicate pipe and decommission this pipe to reduce the ongoing maintenance costs and potential for leaks.	200,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W10	Watermain Upgrades	Replace aging watermain	2,115,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W11	196A St Fraser Hwy to 60th Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	250,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W12	56 Ave, 200 St to 203 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	400,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
W13	Fraser Hwy: 204 to 208	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	1,278,905	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W14	Douglas Crescent, 204 St to 206 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	755,745	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W15	200 St: 44 Ave to 50 Ave (E)	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	1,176,630	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W16	Operations Centre	Construct a new Operations Centre to post disaster standard.	1,000,000	Maintainance costs will be reduced and efficiencies increased with one centralized Operation Centre.
W17	55A Ave: 200 St to 201A St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	150,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W18	198 St: 53 Ave to 56 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	250,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W19	49 Ave: 196 St (Border) to 200 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	600,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W20	204 St: 53 Ave to Fraser Hwy	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	114,130	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W21	206 St: 53A Ave to 56 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	86,990	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W22	206 St: 44A Ave to 46A Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	200,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W23	207A St: 44A Ave to 46A Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	180,620	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
W24	46 Ave: 206A St to 207A St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	222,030	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W25	46 Ave: 208 St to 209A St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	201,520	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W26	55A Ave: West End (City Limit) to 198 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	218,130	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W27	208 St: Fraser Hwy to 56 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	238,545	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W28	56 Ave: 203 St / Douglas Cr to Fraser Hwy	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	163,100	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W29	55 Ave: West End (Cul-de-sac) to 198 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	113,675	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W30	Eastleigh Cr: Glover Rd to 56 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	386,675	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W31	208 St: South End (Cul-de-sac) to Douglas Cr	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	145,690	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W32	45A Ave: 199 St to 200 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	187,420	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W33	209 St: 45A Ave to 46 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	137,790	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W34	Fraser Hwy: 56 Ave to 204 St / Glover Rd	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	124,670	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
W35	54 Ave: 201A St to 204 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	295,330	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W36	206A St: 45 Ave to 46 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	178,980	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W37	53A Ave: West End (Cul-de-sac) to 200 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	44,725	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W38	Grade Cr: 200 St to 208 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	2,500,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W39	51A Ave: West End (Cul-de-sac) to 204 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	208,715	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W40	54A Ave: West End (Cul-de-sac) to 198 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	101,145	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W41	Old Yale Rd 1: Northwest End to Old Yale Rd	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	282,630	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W42	48 Ave: 196 St (City Boundry) to 200 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	694,530	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W43	48A Ave: 196 St to 1/2 Way	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	168,105	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W44	53A Ave: 200A St to 201 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	82,455	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W45	205 St: 50 Ave to North End (Cul-de-sac) (DCC-W016)	Replace existing water main identified in water model to enhance pressure and/or fire flow.	167,310	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W46	200A St: 53A Ave to 53B Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjuncture with sanitary sewer replacement.	37,135	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
W47	197B St: 49 Ave to North End (Cul-de-sac)	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	90,705	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W48	198 St, 56 Ave to Production Way	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	404,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W49	199 St: South End (Cul-de-sac) to 45A Ave (DCC-W019)	Replace existing water main identified in water model to enhance pressure and/or fire flow.	74,250	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W50	44 Ave: 204 to 206 (DCC-W005)	Replace existing water main identified in water model to enhance pressure and/or fire flow.	524,665	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.

GLOSSARY

Accounting Principles	A set of generally accepted principles for administering accounting activities and regulating financial reporting. These principles comply with Generally Accepted Accounting Principles for British Columbia municipalities.
Accrual Accounting	An accounting method where revenues are recognized in the accounting period in which they are earned and expenses are recognized in the period in which they are incurred.
Assessed Value	The value calculated for each parcel of real property using appraisal criteria established by the B.C.A.A. Each property reflects market prices of the land and its improvements and recognizes any change of use. These values are the basis of levying property taxes.
B.C. Assessment Authority	(BCAA) This provincial agency is assigned to appraise and evaluate all real property within British Columbia.
Capital Expenditure	An appropriation of funds for a capital improvement project or asset. These are non-operating expenditures to acquire assets which will have a useful life greater than one year.
Capital Improvement Program	(CIP) An annual program of capital expenditures. The program identifies the project and the source of funding.
Cash Basis	An accounting method where transactions are only recognized when cash is received or dispersed.
Community Police Office	(CPO) This service assists in bringing policing closer to the community providing a local positive presence, and added convenience to residents.
CUPE	The Canadian Union of Public Employees.
Department	A budgeted City activity directed by a department head.
Development Cost Charges	A fee imposed on new development to assist in the funding of future off site services (infrastructure) which is needed, in part, by that new development.

GLOSSARY

E-Comm	An organization that provides emergency communication services for all public service agency in southwestern British Columbia.
Encumbrances	An expenditure which has been committed, but is unpaid. The recording of encumbrances identifies all financial obligations and it assists control of the annual budget.
Emergency Social Services	(ESS) Emergency Social Services is a provincial emergency response program. ESS are those services required to preserve the well-being of people affected by an emergency or disaster.
Expenditures	The cost of goods and services received for both the regular City operations and the capital programs.
F.T.E.	Full time equivalent staffing positions.
Financial Plan	Under Sec 165 & 166 of the Community Charter, Council must adopt a five year financial plan, by bylaw and before the annual property tax bylaw is adopted. The plan must identify expenditures, funding sources and fund transfers.
Fraser Valley Regional Library	(FVRL) A regional board which provides library services to the Cty and other member communities in the Fraser Valley.
Fund	A fiscal entity of self balancing accounts used by governments to control common financial activities.
Fund Balance	The amount that assets exceed the liabilities in an operating capital, reserve or trust fund.
General Fund	The primary operating fund used to account for most of the City's financial resources and obligations.
GIS	An abbreviation for Geographical Information System.
