

History of the Langley City Parks Foundation

On May 22, 1979, the Langley City Parks Foundation was established as a non-profit society. The Foundation was created to provide a means for individuals, groups and organizations to make donations towards park improvement projects in the City.

The Parks Foundation works hand in hand with Langley City's Parks Division and the Point of Pride Program to enhance our community.

Donations are accepted for the purpose of installing approved fixtures and improvements in Langley City. All fixtures are maintained by City staff so that residents and visitors may appreciate your donation. Donations are also accepted for suitable improvements selected by staff.

You can leave a legacy of parks and green space for future generations by including the Langley City Parks Foundation in your estate planning.

There are many reasons to donate to the Parks Foundation:

- Celebrate a personal or professional milestone in your life
- Honour the memory of a loved one
- Enhance community pride
- Provide a living memory for friends and family
- Recognize your school, club or sports organization

Please contact Park Operations staff if you are interested in making a donation, or you have any questions.

Donation Opportunities

Classic Wooden Bench	\$2,200.00
Recycled Plastic Bench	\$1,000.00
Classic Wood Picnic Table	\$2,200.00
Recycled Plastic Picnic Table	\$1,200.00
Park Tree	\$1,000.00

Donation Information

- Donations are recognized with a receipt suitable for tax purposes.
- The donation includes the cost for supply and installation of the donated item.
- Location requests are welcome for placement of donated items that commemorate a favorite place, a loved one or an important event. However, the final location will be determined by the Manager of Park Operations and will depend on site conditions and available space.
- Timing of an installation depends on multiple factors and may take several months. Donors will be contacted when the item is in place.
- Donations of benches and picnic tables are maintained for a period of 10 years after which time the donation may be renewed.
- General donations will be gratefully accepted.
