

Volunteer Job Description- Point of Pride Program

Purpose of Position: To empower individuals and community groups to keep their neighbourhoods litter free- one Street, one Park and one Trail at a time. The City of Langley has 422 acres of park and open space. By adopting a Street, Park or Trail volunteers can contribute to the beautification of our city.

Outcomes of Position: Volunteers with the Point of Pride Program get out, are active and connect with the community. Adopting an area reduces the litter pick-up costs which saves money, makes a visible impact on the environment, and builds community pride.

Roles, Responsibilities, and Tasks:

- Individuals and groups will be assigned a specific street, park or trail according to their preferences.
- Participants will be provided with litter bags, tongs, and gloves.
- Participants may: pick up litter, clear waterways (under DFO direction)
- Participants must notify City of Langley staff if they find any hazards, graffiti or broken equipment.
- Be familiar with the assigned area and boundaries

Schedule and Commitment:

- Individuals will commit to a minimum number of hours per month based on their availability.
- A volunteer time log will be maintained and submitted monthly to the volunteer coordinator

Skills, Experience & Other Requirements:

- Able to access the adopted area
- Verbal communication skills
- Have a good attitude
- Able to take initiative

Setting & Location:

- Location will vary depending on availability and volunteer preference.

Orientation, Training & Other Supports Provided:

- Will be provided with trash bags, litter pickers and gloves
- Recreation Supervisor will be available to answer questions or give advice
- A letter of recommendation will be provided following volunteer service
- Signage recognition for individuals and groups will be provided after six months of recorded activity
